**Re: Transboundary SEA notification concerning revision of spatial plans for the German EEZ in the North Sea and Baltic Sea.**

Thank you for your letter dated 4<sup>th</sup> December 2020, with notification of the SEA procedure taking place in Germany concerning the revision of the spatial plans for the German EEZ in the North Sea and Baltic Sea.

Appropriate officials in the Department have reviewed the environmental documentation provided and as there are no potential transboundary issues that concern Ireland, I wish to confirm, on behalf of the Minister for Housing, Local Government and Heritage, that Ireland does not wish to participate in the transboundary SEA procedure.

I want to thank you for the invitation to participate and hope that you can keep us informed of any future transboundary SEA procedures.

Yours sincerely,
